

Heymann Homeworking Menu - Year 5- Week Beginning: Monday 27th April

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week. At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

<p>PSHE: This week, please think about acts of kindness. How can you be kind to others? Please click on the link and then use the calendar to record your acts of kindness as well as other activities from The Red Cross. https://www.redcross.org.uk/get-involved/the-power-of-kindness</p>	<p>Science- To research the Earth, sun and moon. Research how the moon and earth orbit, how long this takes. Why are there 24 hours in a day? How does the earth, sun and moon effect the number of days in a year?</p>	<p>PE- To complete a Cosmic Yoga of your choice each day- just type in Cosmic Yoga into Youtube there are many options of different yoga stories to join in with.</p>	<p>Maths - Remember, your weekly maths tasks can be found via this link: https://whiterosemaths.com/homelearning/year-5/ Carry on from where you had got to. Complete at least 5 a week.</p>
<p>English- Please do this after the Geography Use your geography work to create a persuasive speech about visiting Greece. You are a travel agent and your family need persuading why Greece is the best place to visit. Use the English task sheet to guide you and use the checklist as well as the English PowerPoint for persuasive techniques.</p>	<p>Spellings- Homophones and Near Homophones Week . Learn and practise spelling each word using your preferred methods plus use Spelling Shed. Find the meaning of each word and write them into sentences. There is also a pairs game, handwriting sheet and wordsearch to complete.</p>	<p>Read every day this week- for a minimum of 20 minutes. Can you write a sequel to your favourite book? Or try either of the two new websites for a variety of new choices - the Sora app or the reading and comprehension resources from Scholastic. How exciting! Your own online library.</p>	<p>Online Chess - Why not learn how to play chess. Just follow the link and you will automatically create an account under the Heymann umbrella. Enjoy! https://www.chesskid.com/register/kid/group/PT9T7N</p>
<p>MyMaths - Units of measure: remember to complete the lessons before doing the homework as this is an area we have not learnt about together in school this year. NRICH Maths at Home - For those of you who enjoy puzzles, games and challenges take a look at the activities here: https://nrich.maths.org/14580</p>	<p>Time-table rockstars- Spend 10 mins on Times Table Rockstars every day this week. Numbots- play numbots (type this into google) using your times table Rockstar password log in and try to complete three sessions.</p>	<p>French- duolingo.com- visit this website 3 times this week to practice your French. Choose to spend either 10 or 15 minutes at a time. Spain and Spanish – Complete your next Spanish number sheet. Spanish and maths combined.</p>	<p>Geography- Please do this before the English work. Use the Geography PowerPoint and look online for any more information you will need to create a leaflet all about what Greece is like today. Follow the task set at the end of the PowerPoint.</p>
