Different ways to count

- 1. Count from 1 forwards to......(you choose!). Remember to say the teen numbers clearly.
- 2. Count backwards from 20
- 3. Count in 2s to 20
- 4. Count in 5s to 50
- 5. Count in 10s to 100
- 6. Start from a number other than 1 to count forwards in 1s or 2s
