

Hello everybody,

If you are in Miss Handley or Miss Anderson's phonics groups, this week we would like you to practice **adding 'ies' to nouns and verbs that end in 'y'**.

For example:

reply > replies

copy > copies

The spellings on Spelling Shed for this week are:

flies

tries

replies

copies

babies

carries

cries

dries

marries

families

Activities:

There is a **phoneme spotter activity** to go alongside the spelling activities on Spelling Shed, for the '**long i**' spelling rule (you could write the words that you spot in the text, in your homeworking book). There is also a **spelling revision booklet** for all of the spelling rules that we have looked at over the past few weeks if you are wanting a little bit of consolidation over half term (again, these can be copied in to your homeworking books)!

Enjoy, and well done for all of the hard work that you are doing at home!
You are all amazing.

Miss Handley and Miss Anderson
