

Los números

Write the word for each number.

1	2	3
4	5	6
7	8	9
10	11	12

- 1 First think of the number and say it aloud.
- 2 Then write the number on your arm with your finger.
- 3 Now check to see if you got it right.
- 4 If you did, write it down in pencil on this sheet.
- 5 If not, practise again on your arm.
- 6 Do this for all of the numbers.
