

Heymann Homeworking Menu - Year 5- Week Beginning: Monday 18th May

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week. At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

<p>Whole School Work - PE Joy of moving festival (see resource booklet). We want you all to join in with these fun activities on Wednesday afternoon, when the whole school will be doing the same. It's all about keeping active and having fun! Enjoy!★★★</p>	<p>Science- Please complete the Earth, Sun and Moon quiz activity sheet and then create and complete a PowerPoint presentation on the topic.</p>	<p>PE- Please use the Netball pdf and follow a weeks lessons on Netball. There are lots of exercises and tasks to keep you fit and busy.</p>	<p>Maths - Remember, your weekly maths tasks can be found via this link: https://whiterosemaths.com/homelearning/year-5/ Carry on from where you had got to. Complete at least 5 a week.</p>
<p>English- Use the image labelled ‘Pathway to where?’ and write a creative short story. There is a sheet with some prompt questions on to help you get started.</p>	<p>Spellings- Hyphenated Prefix Words Use ‘Hyphenated Words Intro’ as a starting point. Write each word with a definition in your book. The matching activity will help you with this. Can you workout what the prefixes co and re mean? Use the resources and Spelling Shed to practise as well.</p>	<p>Read every day this week- for a minimum of 20 minutes. Try either of the two new websites for a variety of new choices - the Sora app or the reading and comprehension resources from Scholastic. How exciting! Your own online library.</p>	<p>Online Chess - Why not learn how to play chess. Just follow the link and you will automatically create an account under the Heymann umbrella. Enjoy! https://www.chesskid.com/register/kid/group/PT9T7N</p>
<p>MyMaths - Converting Units of Length. Take care with the examples which involve decimals. Work through the lesson first if you find this difficult. Challenge Braille Investigation. Read and then complete the maths challenge in your book. Answers will be shared next week - or email your solutions if you want to know sooner!</p>	<p>Time-table rockstars- Spend 10 mins on Times Table Rockstars every day this week.</p> <p>Numbots- play numbots (type this into google) using your times table Rockstar password log in and try to complete three sessions.</p>	<p>French- duolingo.com- visit this website 3 times this week to practice your French. Choose to spend either 10 or 15 minutes at a time.</p> <p>Spain and Spanish – Complete your next Spanish number sheet.</p>	<p>History – Use the ppt to understand key dates and battles in the Ancient Greek history.</p> <p>Your task: To state three facts about each battle and draw a detailed picture of your chosen battle. You might even be tested on key facts next week in your zoom meeting...You will have another task using these ppts next week.</p>
