

Heymann Homeworking Menu - Year 5- Week Beginning: Monday 25th May Half Term

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week. At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

<p><u>Whole School Work</u> Please design your own book token to be used in schools. Follow the link and enter the competition if you would like to. Have fun! https://www.nationalbooktokens.com/create-a-national-book-token-for-your-class</p>	<p><u>Science-</u> Create your own model of the Solar System. These could then be hung in your bedrooms. We've included some images for ideas. Or not in a creative mood – create a ppt about the origins of the names of the planets. Test your family as a quiz!</p>	<p><u>PE-</u> Drumba activity – please see the document for details. We must keep active in this beautiful sunshine this week.</p>	<p><u>Maths</u> - Tessellation Find out what this is and which polygons will or will not tessellate by using the presentation. You will also learn about the artist and mathematician M.C. Escher and his amazing tessellations. Then have a go at creating a striking tessellation design of your own.</p>
<p><u>Cookery</u> - Come Dine With Me Challenge: Plan and cook a complete meal for your family to enjoy made up of either two or three courses. Make sure you have help from a grown up when using the hob, oven or handling sharp knives. You could even prepare a menu card, place mats and name cards. Invite your family to rate your cooking after eating.</p>	<p><u>Word Play</u> - Pig Latin Pig Latin is not actually a language but a language game that children (and some adults) use to speak "in code." Pig Latin words are formed by altering words in English. Use the information sheet to find out how it is formed and then use it to either speak or write in code.</p>	<p><u>Read every day this week-</u> for a minimum of 20 minutes. <u>Book Cover Task</u> Draw your own front cover for the book you are reading at the moment. What scene from the story will you capture? How will you convey the mood or style of the story in your illustrations?</p>	<p><u>Online Chess</u> - Why not learn how to play chess. Just follow the link and you will automatically create an account under the Heymann umbrella. Enjoy! https://www.chesskid.com/register/kid/group/PT9T7N</p>
<p><u>Multiplication Challenges</u> Three challenges to keep you focused on your times tables and written multiplication if you get onto number 3. Challenge 1 is the easiest and 3 is really hard so choose the one which suits you or complete all three!</p>	<p><u>Time-table rockstars-</u> Spend 10 mins on Times Table Rockstars every day this week. <u>Numbots-</u> play numbots (type this into google) using your times table Rockstar password log in and try to complete three sessions.</p>	<p><u>French- duolingo.com-</u> visit this website 3 times this week to practice your French. Choose to spend either 10 or 15 minutes at a time.</p>	<p><u>History</u> - Greek Myths Why not spend some time reading some Greek myths? Here are some links which give you access to some: https://www.storynory.com/category/myths/greek-myths/ https://www.greekmyths4kids.com/ Perhaps compare different versions of the same story. Why do you think there are variations?</p>
