

Heymann Homeworking Menu - Reception- Week Beginning: 08.06.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

Reading Have a go at the reading comprehension sheets on our web page. Draw a picture of what you have read. Keep reading at home at least 3 times a week. 	Handwriting and tricky words Try and copy the super sentence on the web page in your best Heymann cursive handwriting. Start with train and work your way down. Can you think of a word to fill in the gap and make the sentence make sense? 	Wellbeing Sing the wheels on the bus song. What actions could you do? Can you make up your own verse? 	Writing Watch the naughty bus story in the stories section. Write your own part of the story. You can choose any vehicle you like and write your best sentences about what they are up to. The video on the webpage will help you. 
Creative Play Families with your children. One person is to be a parent and one is a baby. Talk about what you might need and pretend to do things such as feeding, sleeping and singing nursery rhymes. 	PE Look on our webpage for our Athletics book. Try out some of our ideas. 	Phonics This week we are looking at ch sh and th. Feel free to use the suggested resources or do your own thing. 	Creative Get one of your own toys to make your own Naughty Bus style story. You could just take photos of your toy doing silly things. 
Maths number formation Make a number poster for numbers from 0 to 20. Represent each number with the correct number of objects  	Maths - part whole. Remind yourself of the film about part whole from week 6 then have a go at the 2 ppts for 5 and 10. Ext: use the blank part/whole sheet and make up some of your own. 	Geography With a friend, pretend to be a robot and takes turns to give and follow instructions to move. E.g. take one step forwards, Turn to the left, Draw some arrows to help you.  	A challenge Try a Cbeebies quiz or make up your own. 
     	     	      	Bonus Stars:
