

Heymann Homeworking Menu - Reception- Week Beginning: 15.06.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

<p>Reading Read the transport comprehension sheet on the website. Can you talk about what you have read? We would love to see you reading. Feel free to send a video to the reception teacher's email address.</p> <p style="text-align: right;">★ ★ ★</p>	<p>Handwriting and tricky words Keep practising your Heymann cursive handwriting and using Letter-join. Look at the tricky word trackers on our website. How many words can you read and write?</p>	<p>Wellbeing Watch the Solar System Song and try and learn the words. Can you remember the planets?</p> <p style="text-align: right;">★ ★</p>	<p>Writing This task can be found on Microsoft teams. Write about what you can see on the alien planet. Log on to teams to complete this task and we can't wait to give you some feedback.</p> <p style="text-align: right;">★ ★ ★ ★</p>
<p>Creative Either get a stuffed toy or pretend to be cats/dogs and owners with your child. Think about what a pet needs and how you would look after it.</p> <p style="text-align: right;">★ ★</p>	<p>PE Try doing 3 cosmic yogas this week with your child. There are some fantastic adventures to be had.</p> <p style="text-align: right;">★ ★ ★</p>	<p>Phonics We are going back over ai, ee, and igh so feel free to use our resources or others. You should also be using flash cards everyday from phonics play. Practicing phase 4 flash cards is also a good idea</p> <p style="text-align: right;">★ ★ ★</p>	<p>Creative Look at pictures of the planets. Pick a planet to create with either collage, paint or pens. You could even make a solar system to hang up or do another craft.</p> <p style="text-align: right;">★ ★ ★</p>
<p>Maths non-consecutive number ordering. Play https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering Use your number cards to play an ordering game. Select 4 cards randomly and put them order – forwards and backwards</p> <p style="text-align: right;">★ ★</p>	<p>Maths - ten frame addition. Watch the film clip for maths first then have a go at some addition number sentences using the 10 frames. EXT: addition to 20 using frames.</p> <p style="text-align: right;">★ ★ ★</p>	<p>Science – planets Use the planet colouring sheet to find out the names of the planets. EXT: find out some facts about the planets. You could use</p> <p style="text-align: right;">★ ★ ★</p>	<p>A challenge: floating and sinking Using a bowl of water look around your garden for some natural objects that float and sink. Find some objects in your house and sort them into ones that float and ones that sink.</p> <p style="text-align: right;">★ ★</p>
<p>★ ★ ★ ★ ★ ★</p>	<p>★ ★ ★ ★ ★</p>	<p>★ ★ ★ ★ ★ ★</p>	<p>★ ★ ★ ★ ★ ★ ★ ★ ★ Bonus Stars:</p>
