

# Heymann Homeworking Menu - Year 2 - Week Beginning: 20.07.20

Some of you will be back at school now and will start some of these tasks with your teacher. **The tasks highlighted in yellow will be done in school so please do not start these tasks at home, unless you are not coming into school at all.** You can choose to do any of the other activities at home to try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

**We have loved receiving pictures of the children working from home but we would LOVE to see more! Please email any pictures to [year2-teachers@heymann.notts.sch.uk](mailto:year2-teachers@heymann.notts.sch.uk)**

## Maths – carrying on from last week

The Oak National Academy has a sequence of 15 lessons on shape, symmetry, position and direction, which is an area that we would like to revisit over the next few weeks.

If you have completed the national oak academy lessons, there is an additional Year 2 mixed maths activity on the webpage.
