

Heymann Home learning – Reception – week commencing 4.1.21

Here is your home learning menu for this week. There is a timetable and we will email you with a zoom link. If you could complete the ongoing activities on the last page as often as possible that would be great. On the second page you will find the activities for this week, you can colour in a star for each activity you manage to complete.

We would love to know what you have been up to... Please send us an email of at least one thing you have done from the menu (reception-teachers@heyman.notts.sch.uk) Happy star collecting! ☆

Weekly Activities- how many stars can you collect?

Story maps

Draw an “S” map and make up your own story about a tiger....

Craft/cutting activity

Make puppets of the main characters from our story this week. You could use the pictures on our webpage to cut out or make your own using things you have at home.

Physical activity

Try doing 3 cosmic yoga sessions this week with your child.

Maths activity

Make you own number cards and play games with them. Watch the video clip on our webpage for ideas.

Game/hunt

Go on a hunt around your house and garden to find as many things as you can that begin with the sound “c”. Draw pictures of them, take photos or have a go at trying to write some of the words. How can you find?

Reading

Read 3 times this week.

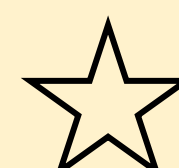

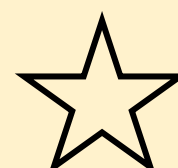

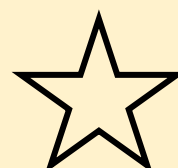

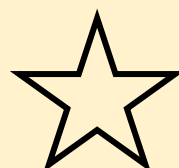

Choose a story to listen to on our reception webpage in the stories section. Talk about your favourite part or character. Why do you like it? What might happen next?

Drawing and labelling

Draw a picture of the Three Little Pigs living in the brick house. Label the picture.

Writing

Look at the picture on our webpage and talk about what you can see and what is happening. Think of a sentence of caption you could write about it.
