A note for parents: A fronted adverbial is a word, phrase or clause that is placed at the start of a sentence. They are used to explain how (manner), when (time) or where (place) something happens. A fronted adverbial is separated from the main clause with a comma. For example:

Early one morning, Rohan went for a run in the park.

## Fronted Adverbials Writing Prompt

Using Fronted Adverbials in Independent Writing

Look at this picture taken of the London marathon.

Using some of the fronted adverbials in the table below, write a description of this picture. The first sentence has been done for you. Remember to always place a comma after the fronted adverbial to separate it from the main clause.

| Time | Place | Manner |
| :--- | :--- | :--- |
| On Sunday 23rd April | Behind the metal barriers | With a determined look |
| As he was running | Below the beating sun | Feeling exhausted |
| Whilst the crowd cheered | On their T-shirts | Without slowing |

On Sunday 23rd of April, thousands of people hit the streets of London to take part in the annual London Marathon.
