

Heymann Homeworking Menu – Nursery - Week Beginning: 20.03.20 (Sheet 3)

In the table, there are lots of different activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved. Happy star collecting! ★

Share a story with a grown up at least 4 times this week (this could be a grown up reading a story or children re-calling a familiar story/using pictures to in books to tell a story/free audio book online)

Using 'Topmarks' website select 'Early Years' and play 'Teddy Numbers' - Can you carefully count the eggs for Teddy?

Make a den! Collect duvets/cushions/sheets and prop up using furniture to create a den. You could make a sign for your den too.

Play a game of I spy. Either using colours '*something coloured...*' or phonics e.g. '*something beginning with the S sound*' or robot blending 'I spy a 'l-igh-t' (child to blend light)

We will add a sheet which can be coloured in too.
