Heymann Homeworking Menu - Year 2- Week Beginning: 27.04.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

Maths

We are going to consolidate our learning from last week on 3D shape.

Fill in the sheet with the properties of the 3D shapes – find shapes around the house to help you! If you can't print the sheet, write the name and properties of the shapes in your book.

If you are feeling confident after this, try the challenging reasoning questions!

English

This week you will be using the Jack and the Beanstalk story map you made to write the story.

We would like you to think about the different sentence types you are using in your story. To help you, there is a PowerPoint reminding you what those sentence types are.

At the end of the PowerPoint there is a Bronze/Silver/Gold checklist for you to use to check your writing. Can you include everything from the checklist?

Read your writing to a grown up when you have finished.

PΕ

Log in to Fitter Future (see information on Y2 webpage -3 documents) and do a workout a day from their timetable to keep your body and mind fit and healthy.

Spelling

Complete the phonics powerpoint session attached in this week's folder. There is a session for Miss Whitney's phonics group, Mrs Hussain's phonics group and also one for Miss Anderson's and Miss Handley's. There are some activities too!

Now, log on to Spelling Shed 3 times to practise the sounds or spelling rule you have just covered.

If you're feeling confident, don't forget Thursday is test day!

RE

Last week marked the start of Ramadan.

To learn a little about what this means, use the PowerPoint on the webpage and watch this video https://www.bbc.co.uk/newsround/2 3286976

In your home learning books, can you write about what you have found out? Think about these questions: Which religion celebrates Ramadan? When is Ramadan? What happens during Ramadan?

PSHE

This week, you will be thinking about acts of kindness. How can you be kind to others? On the web page, there is a calendar where you can record your acts of kindness as well as other activities from The Red Cross (3 documents). For more information, you can visit the website at https://www.redcross.org.uk/get-involved/the-power-of-kindness

Reading

Read every day. This can be a combination of you reading and also listening to or sharing books with others. Links to online reading on Y2 web page.

Science

The Biscuit Challenge

Watch this YouTube Video
https://www.youtube.com/watch?v=7
KPWtcDsAhI

Can you guess what we would like you to do?

Head to the science information sheet on the website to find out more!

Environment

Another scavenger hunt for you!

This one has a science theme.

See sheet on Y2 webpage.

Maths

Spend 10 mins on Times Table Rockstars 3 times this week.

Well done so far for all of your hard work and practise!

Community

Do a litter pick! This could be in your garden/in front of your house or on your daily walk. Make sure your hands are protected if you do this ©

Don't forget to complete 3 jobs to help around the house at home. We're sure whoever you live with is really happy to see you helping out! See Y2 web page for ideas of jobs to do.

Maths

Complete your 10-a-day maths activities. See Y2 web page for template: this can be printed or questions can be copied into books/onto paper.

Bonus Stars:
