

Hi!

This week we will be revisiting 'ai' as in **snail**

And...

Learning a new phoneme 'oi' as in **coin**

When you have worked through this PowerPoint, have a go at the 'What am I?' activity with a grown up.

Don't forget to practise your spellings on Spelling Shed too!

Miss Whitney

The Phoneme /ay/ with 'ai' and the phoneme /oy/ with 'oi'

Turn to your partner and say the sound these letters make.

'ai'

How many words can you think of that have the 'ai' **digraph** in them? Draw and write your ideas on a whiteboard.

WATCH OUT!

The **/ay/** and **/oy/** sounds spelt with **'ai'** and **'oi'** are found at the beginning and middle of words but hardly ever at the end of English words.

Split into two teams. One person picks a word to try to draw. You mustn't talk, act, or make sounds. Your team must guess it before the timer runs out. Good luck!
