

This week, we would like you to answer the question..

# Should we use Palm Oil?

We have included a Powerpoint with information all about Palm Oil to help you on the Year 3 class page. On the last slide of the Powerpoint are some links to other websites that will provide you with even more information. We would like you to answer this big question by creating a poster. You might want to use some of the following sub-headings to help you to structure your work. You can answer these questions and then come to a final conclusion whether we should or shouldn't use Palm Oil.

1. What is Palm Oil and where does it come from?
2. What products is it found in?
3. Why is it useful?
4. Why is it a problem?
5. What are the solutions to the problem?
6. My decision
