YOUR NAME IN THE MIDDLE
On a blank piece of paper put you name in the middle. In one section write down the members of your family. Other sections can be friends, teacher and coaches/leaders. Write down all the different names of people you know and speak to regularly. Then think about how you might talk to people differently depending on who they are. For example would you talk to your teacher like how you talk to your friend?
Teacher 1
Teachers
Teacher 2
Teacher 3
Coaches/ leaders
Gymnastics coach
Football coach
Scouts leader
