

Heymann Homeworking mat- Year 3- w/b 18th May 2020

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

We have loved receiving pictures of the children working from home but we would LOVE to see more! Please email any pictures to year3-teachers@heymann.notts.sch.uk
