

Belonging in our community

- We want you to have a think about what it means to '**belong**'. Discuss with your parents and make a list of places that you might belong to, it could be things like: *belonging to your household, belonging to a football or swimming club, belonging to your class etc.*
- Now make a map or poster of all of the places you belong to outside of school (in your community) and write a couple of sentences to explain how you make an impact in that part of the community.

For example:

'I **belong** to the school council, we work together to make our school better by organising events such as litter picks and discos to raise money for our school.'

'I belong in Brownies because I learn new skills and try new challenges.'
