

Los meses del año

Hello Year 2. I have got some more Spanish work for you to have fun with.

Here are the months of the year in Spanish. I have put pronunciation tips (how you say the words) in the middle column.

Have a go at saying and learning the months of the year. You could involve other members of your family too, I'm sure they'd love to learn with you. You could make flashcards with Spanish on one side and English on the other and test yourself. Try the look, cover and check method. Practise the Spanish out loud, then cover up the Spanish column and see how many you can remember. I'm looking forward to hearing you when we get back to school.

Enjoy! Madame Cameron
