

Los meses del año

1. Look, cover, spell, check.

Spend some time looking at the Spanish for the months of the year. When you think you're ready, cover up the Spanish column, and have a go at writing them in Spanish for yourself. Remember that Spanish months do not start with capital letters.

<i>Spanish</i>	<i>English</i>	<i>Spanish</i>
enero	January	
febrero	February	
marzo	March	
abril	April	
mayo	May	
junio	June	
julio	July	
agosto	August	
septiembre	September	
octubre	October	
noviembre	November	
diciembre	December	

2. Fill in the missing months of the year in the sequence in Spanish. Check spellings carefully.

- a. enero, febrero, marzo _____
- b. agosto, _____, octubre, noviembre
- c. mayo, _____, julio, _____
- d. febrero, _____, _____, mayo
- e. septiembre, _____, noviembre,

3. Write the months of the year in Spanish in order. Please check spellings carefully.
