

Heymann Homeworking Menu - Year 2- Week Beginning: 8.6.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

Maths

We would like you to follow the sequence of fractions lessons on the White Rose website this week. There are 4 lessons, each with a video and worksheets to follow.

The videos can be accessed at the link below and we have saved the worksheets for you on the tab at the side of this week's web page.

The week we would like you to look at is Summer Term Week 7: Week commencing 8/6/20.

We have also put the answer sheets up for you to check your work at the end!

If you fancy a challenge, check out the challenge sheets on the web page to earn bonus stars!

English

Use National Oak Academy to follow the **sequence of 5 lessons** on 'The Firework Maker's Daughter' **Character Description** (scroll past last week's 'Instructions' lessons to find the Character description topic)

<https://www.thenational.academy/online-classroom/year-2/english#subjects>

Work through each task and at the end of the week can you write your own character description about a character in the book you have been reading?

PSHE - Belonging

We have talked before in school about **belonging**. Can you remember what this means? Talk about how you feel you belong in different parts of your life. Think about family, friends, clubs, groups – even if right now you can't go to some of these places, you still belong to the groups there.

Use the worksheet 'Belonging' on the webpage or drawing straight into your home learning book, use your self-portrait skills from last week to draw a picture of yourself in the square. In each circle, draw a picture of a group that you belong in.

Write a few sentences about the groups you belong in.

Spelling

Complete the phonics powerpoint session attached in this week's folder. There is a session for Miss Whitney's phonics group, Mrs Hussain's phonics group and also one for Miss Anderson's and Miss Handley's. There are some activities too!

Now, log on to Spelling Shed 3 times to practise the sounds or spelling rule you have just covered.

If you're feeling confident, don't forget Thursday is test day!

<p>Music</p> <p>Visit https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382</p> <p>Each week there is a video and a piece of music to listen to and then complete an activity linked to a piece of music. There are already seven weeks worth there so you can take your pick!
