

English 1 – Question marks 15.6.20

Explain to children what a question mark is by watching the power point. In the story Handa's Surprise she asks some important questions. Look at the story again, how do we know when she is asking a question? Is there a special mark that we use at the end of the sentence to show a question? Have a look and practice writing it.

In English 2 you will write your own version of the story using 7 vegetables. Which seven vegetables will you give your friend? You could use the vegetable word mat to help you. Make a list.
