### Heymann Homeworking Menu - Reception- Week Beginning: 22.06.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

#### Reading

Read the Lightning mini book on our webpage. Can you blend each word and read the sentences? Tell a friend about what you have read.

Keep reading 3 times a week.

#### Handwriting and tricky words

Find all the tricky words on each word search. You can find them on our webpage. Or you could have a go at making your own. Use the tricky trackers to choose the words.

#### Wellbeing

Complete the rainbow scavenger hunt. You can find it on our webpage.

#### Writing

This task can be found on teams.

Design and label your own alien. How many legs does it have? What colour is it.

Write a sentence to describe it.

#### Creative

Create your own alien world. You could draw pictures, collage a background or even make an alien planet box model.

#### PΕ

Try doing some P.E. with Andy Day on youtube. Have fune and try if 3 times this week.

#### **Phonics**

This week we are revisiting igh and oa.

Feel free to follow our lesson plan on the website or use your own.

Keep practicing all phase 3 flash cards on phonics play.

#### Creative

Draw your own characters and make some lollipop stick/card stick puppets. They could be monsters, robots or aliens. Find lots of ideas online.

### Maths – subtraction challenge sheet

Have a go at solving the different subtraction stories on the attached sheet. Can you make up some of your own?

#### Maths - subtraction with objects.

This task is found on Teams. Watch the video clip and record your calculations as you go.

# Science – dissolving experiment. See the attached sheet for ideas

WHAT DISSOLVES in WATER

# A challenge – help to tidy up at home each day.

Can you make your own bed, put your dirty clothes in the wash basket or put your toys away when you have finished playing with them? What other jobs could you help with at home?

Bonus Stars:
