

22.6.20

I can compare numbers using **more than**, **less than** and **equal to**

Sarah has three jars of sweets.

She says:

How many sweets could be in B?

Can you find more than one answer?

Fill in the gaps:

is more than 15 but less than 20

I know because

---

---

---

is less than 18 but more than 12.

I know because

---

---

---

is more than 9 but less than 11

I know because

---

---

---

**Explain** your answers in the box at the side if you can.
