

Heymann Homeworking Menu - Year 2 - Week Beginning: 29.6.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved. **The yellow boxes will have a teaching video to correspond to the activity.**

We have loved receiving pictures of the children working from home but we would LOVE to see more! Please email any pictures to year2-teachers@heymann.notts.sch.uk

Maths

The Oak National Academy has a sequence of 15 lessons on shape, symmetry, position and direction, which is an area that we would like to revisit over the next few weeks.

<https://classroom.thenational.academy/subjects-by-year/year-2/subjects/maths>

15 lessons is a lot, so we are setting this task to be completed over the next 4 weeks.

Lesson 2 (right angles) does not need to be completed.

Each lesson has a video and some follow on tasks which can be copied into home learning books.

To earn their stars, ideally children should aim for 3+ lessons per week.

RE – Christianity: Jesus’ friends and stories

Last week, you learned about Jesus’ first two followers.

As his following grew, Jesus used stories to share lessons with other people. These stories were called **parables** and had important messages.

Look at the ‘Jesus’ parables’ document to read two of these stories.

There are two questions to think about and a task at the end.

English

Watch Miss Whitney’s video to see her perform a poem all about Florence Nightingale.

Your task is to learn part of the poem and upload or email a video of yourself performing the poem.

And/or

Write your own Florence Nightingale poem. This could be a rhyming verse in the style of the poem Miss Whitney reads, an acrostic poem or a senses poem. Look at the examples on our web page.

Upload your work to TEAMS when you have finished!

Spelling

Complete the phonics powerpoint session attached in this week’s folder. There is a session for Miss Whitney’s phonics group, Mrs Hussain’s phonics group and also one for Miss Anderson’s and Miss Handley’s. There are some activities too!

Now, log on to Spelling Shed 3 times to practise the sounds or spelling rule you have just covered.

If you’re feeling confident, don’t forget Thursday is test day!

<p><u>PE</u></p> <p>This week's PE activity is Boccia! Check out the resource on our web page for more information.</p> <p>Not sure what Boccia is? that people who do not wear sunglasses risk doing substantial damage to their eyes due to the harmful effects of the sun's rays. Even on cloudy days, sunlight can still be strong enough to cause lasting damage to the eyes, which means that it is important to wear sunglasses or another form of UV eye protection at all times. Please use the template and design a pair. There is also a ppt to work through on Sun Safety. Please read through and you could always challenge yourselves and make an information leaflet to explain the importance of sun safety and wearing sunglasses (see 'brochure template' on webpage)

Can you find out about Mary and create a poster/picture/paragraph/PowerPoint with the information you have gathered? Look at the Year 2 webpage for hints on where to start.

We've had lots of emails from parents saying how well you are doing, so keep up the good work!
