

Magical Maths runs twice a school year, on Wednesdays (currently Nov/Dec and then again in Apr/May), after school from 3.10-4.15pm(KS1)/3.20-4.30pm(KS2)

Every year we help thousands of children (just like yours) to LOVE their maths!

Magical Maths features games, tricks and activities ALL to help children increase their comfort and confidence with Maths.

The clubs feature our crack team of teaching superstars that will visit from week to week, including a maths detective, a maths genius, the mathletes, and a mathemagician.

All staff are fully trained, hold current Enhanced DBS. Magical Maths supports safer recruitment processes.

All activities work in accordance to the current National Curriculum, delivered in a FUN way that has children excited to return each week!

For more info or to find the next club dates visit: www.magicalmathsclub.com

Children get active and have loads of fun with friends taking part in activities they love and also may not have tried before.

We make sure that all of our staff are fully qualified, fully insured and hold current DBS, emergency aid and child protection certification.
