

Owl Facts or opinions?

WALT: To identify facts and opinions.

WILF: Bronze: I can say what facts and opinions are. Silver: I can identify the facts within the text. Gold: I can add another fact of my own.

Read the sentences below and decide if they are **facts** or **opinions**. Highlight the facts in one colour and the opinions in another. Can you add a new fact of your own?

- There are around 200 different owl species.
- Owls are active at night (nocturnal).
- I think that owls are nice.
- Most owls hunt insects, small mammals and other birds.
- I think owls love to eat toast.
- Owls have powerful talons (claws) which help them catch and kill prey.
- Owls have large eyes and a flat face.
- Owls love to read.
- Owls can't see things close to their eyes clearly.
- Owls are very quiet when they are flying.
- I don't like owls because they are sometimes scary.
- The colour of owl's feathers helps them blend into their environment (camouflage).
