

Heymann Homeworking Menu - Reception- Week Beginning: 06.07.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

<b>Reading</b> Have a go at an I-Spy reading sheet. Can you read the words and find the picture? Keep reading 3 times a week. Try reading the Let’s cook mini book on our webpage.  <div>★ ★ ★</div>						<b>Handwriting and tricky words</b> Play tricky word bingo with your family. Take turns to be the caller. Practise the letters g, p and q. Letter-join can help you.  <div>★ ★ ★</div>						<b>Wellbeing</b> Re-create family bag at home. Fill it with things you would like to talk about. Share it with you family. You could film a short part of it (about a minute) and email it to us.  <div>★ ★</div>						<b>Writing</b> Your next teacher would love to know all about you. Write about what you like or are good at. Maybe you like books or swimming? There is a template on our webpage. Draw or stick on a picture of yourself in the circle.  <div>★ ★ ★ ★</div>					
<b>Creative</b> <a href="#">Can you follow this video with your parents to make a “chatter box”</a> Alternatively, you can do making and decorating paper aeroplanes.  <div>★ ★</div>						<b>PE</b> This week we want to focus on throwing and catching both big balls and small balls. You can also try make a target by drawing a circle on the floor in chalk or using a hoop and throwing the ball. Practice your skills at least 3 times.  <div>★ ★ ★</div>						<b>Phonics</b> This week we are looking at ar and or. You can do your own thing or use our planning provided. Don’t forget to use flashcards of words and graphemes to practice previous sounds.  <div>★ ★ ★</div>						<b>Creative</b> <b>Andy Goldsworthy Art-</b> <b>See video on our webpage.</b> We would love you to make some artistic pictures and sculptures using natural materials found either in your garden or on a walk.  <div>★ ★ ★</div>					
<b>Maths – symmetry 2d shapes</b> Make up your own symmetrical butterfly using 2D shapes or print off the sheet on the web-page and complete the pictures   <div>★ ★ ★</div>						<b>Maths – subtraction by counting back.</b> Watch and join in with the subtraction PPT. Make up your own subtraction stories by counting back along a number line or use the worksheet on the web page. Try the challenge sheet too.  <div>★ ★ ★</div>						<b>Science - biscuit experiment</b> Using 2 or 3 different types of biscuits, can you find out which one is the best for dunking? Work with an adult to solve the problem and let us know what you find out.  <div>★ ★</div>						<b>A challenge - make biscuits at home</b> by following one of the recipe cards or finding a recipe of your own. Don’t forget to help with the washing up afterwards.  <div>★ ★</div>
