

# Heymann Homeworking Menu - Year 2 - Week Beginning: 06.07.20

In the table, there are lots of different homework activities to choose from.

You must complete the green boxes each week.

At least one 4-star activity should be completed each week. You can choose to do whatever you like each week. However, you must try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved. **The yellow boxes will have a teaching video to correspond to the activity.**

**We have loved receiving pictures of the children working from home but we would LOVE to see more! Please email any pictures to [year2-teachers@heyman.notts.sch.uk](mailto:year2-teachers@heyman.notts.sch.uk)**

## Maths – carrying on from last week

The Oak National Academy has a sequence of 15 lessons on shape, symmetry, position and direction, which is an area that we would like to revisit over the next few weeks.

15 lessons is a lot, so we are setting this task to be completed over the next 4 weeks. **Lesson 2 (right angles) does not need to be completed.**

Each lesson has a video and some follow-on tasks which can be copied into home learning books.

To earn their stars, ideally children should aim for 3+ lessons per week.

## Art

It has been brilliant to see all of the creative drawings you have done at home.

Follow these drawing tutorials below for some inspiration on what to draw next. We've gone with an animal theme. **We would love for you to share them with us on your class zoom meeting.**

## English

For this week's assignment, we would like you to **create your own comic strip**, labelled 'Life in Lockdown' to show us what you have been up to during lockdown. We cannot wait to see what you create!

**Head over to Microsoft TEAMS to find out more and upload your work when you have finished!**

## Spelling

Complete the phonics powerpoint session attached in this week's folder. There is a session for Miss Whitney's phonics group, Mrs Hussain's phonics group and also one for Miss Anderson's and Miss Handley's. There are some activities too!

Now, log on to Spelling Shed 3 times to practise the sounds or spelling rule you have just covered.
