

### **What do you do in your spare time?**

In my spare time, I like to read, cook, watch films and go for dinner with my friends. I have always loved reading because I like to imagine that I am a character in the stories that I'm reading. My favourite book is Harry Potter although I really love Jacqueline Wilson too!

### **Did you know...**

- I can speak Italian.
- My greatest achievement is running the Robin Hood Half Marathon.
- I have an older brother who is a doctor and lives in York.
- My favourite time of year is when it starts to get darker in the evening because it makes me feel like Christmas is coming!

### **Where do you live?**

I grew up in Derbyshire but I moved to Nottingham 4 years ago. I love Nottingham because there are lots of exciting things happening in the city and I have a lot of friends that live here so I can visit them easily.

### **What did you do during lockdown?**

Whilst I was at home I enjoyed keeping in touch with my family, friends and my class on Zoom calls. I did lots of quizzes too! I also did lots of running and walks because the fresh air made me feel really happy. As well as this, I have been very busy in my garden. I planted seeds which are now flowering beautifully and I have enjoyed growing some delicious vegetables too! This was really exciting because I have been able to use the vegetables in my cooking.
