

Heymann Homeworking Menu - Year 2 - Week Beginning: 13.07.20

Some of you will be back at school now and will start some of these tasks with your teacher. **The tasks highlighted in yellow will be done in school so please do not start these tasks at home, unless you are not coming into school at all.** You can choose to do any of the other activities at home to try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

We have loved receiving pictures of the children working from home but we would LOVE to see more! Please email any pictures to year2-teachers@heymann.notts.sch.uk

Maths – carrying on from last week

The Oak National Academy has a sequence of 15 lessons on shape, symmetry, position and direction, which is an area that we would like to revisit over the next few weeks.

<https://classroom.thenational.academy/subjects-by-year/year-2/subjects/maths>

15 lessons is a lot, so we are setting this task to be completed over the next 4 weeks. **Lesson 2 (right angles) does not need to be completed.**

Each lesson has a video and some follow-on tasks which can be copied into home learning books.

To earn their stars, ideally children should aim for 3+ lessons per week. ★ ★

PE

If you enjoyed the racket sports activities last week, we have uploaded those resources again for you to continue practicing!

Notts Schools Games have also released some rugby activities for you to have a go at.

Finally, if rugby isn't your thing, you can join in with the virtual dance at 11am on Thursday 16th July!

Have a look at the Year 2 webpage for more information!

English

This week you are going to be writing a fact file all about yourselves! You are writing it for your new teacher to read and learn a bit about you, so make sure you tell them as many interesting facts as possible!

We have written lots of fact files throughout the year, so hopefully you can remember what a fact file is and how to present your writing.

Look at Miss Whitney's fact file example and follow the attached PowerPoint slides which have information on to help you to build up your writing. (If you are at home completing this task, you could keep your fact file safe and show it to your new teacher in September). ★ ★ ★ ★

Spelling/phonics

Go to the phonics tab on the Year 2 webpage to see what has been set for your group this week.

Now, log on to Spelling Shed 3 times to practise the sounds or spelling rule you have just covered.

If you're feeling confident, don't forget Thursday is test day!
