

# Year 3 homeworking mat – 13<sup>th</sup> July

In the table, there are lots of different homework activities to choose from. Some of you will be back at school now and will start some of these tasks with your teacher. **The tasks highlighted in yellow will be done in school so please do not start these tasks at home, unless you are not coming into school at all.** You can choose to do any of the other activities at home to try to earn 20 stars by the end of the week. When you have completed an activity and a parent has checked it, you can colour the number of stars you have achieved.

Love from Miss Penfold, Miss Bradley & Mr Sills
