

Words with Short /i/ Sound Spelt with 'y'

All of your spelling words for this week focus on one particular rule – words that contain a short /i/ sound spelt using a 'y'.

For example:

system

digestive system

Say the word aloud. Can you hear the short /i/ sound?

This week, we are making the short /i/ sound using 'y'.

Unfortunately, Mr Whoops has got in a bit of a muddle with your spelling words. Can you figure them out?
