What Did They Eat

What Jobs Did They Do

All Stone Age men hunted woolly mammoths saber tooth cat wild bear. Also They hunted fish. Most Stone Age people eat berries and nuts. In the new stone age they farmed the land for crops. Many have cows and sheep and pigs. They had farms so they didn't have to move.

# What jobs Did They Do

In the old Stone Age  
they made fiver so  
they scared wild  
animals the children  
made spear axes and  
knives gone ciling  
animals. They made  
house from animals  
poo
