The Stone Age began 2.5 million years ago and they are cold Guntur gatherers

And they eat sukiyaki mammoth and saber tooth tiger and uva anmols page 2

They are cold hunts  
gatherers and they cleft nuts  
and beers also acons page3

What whir their Homs likes

Also they made sods  
andmetui

They wed fish with  
spears to eat page 4

What did they eat

What does they duw

What tools did they  
use?
