

The Reception children have been working hard learning songs, dances and their spoken lines in preparation for our Nativity play. Unfortunately, this year we cannot invite you into school to watch but we will be filming it over a period of 2 days next week and giving you access to the film at the end of term. We would really appreciate you sending in some simple clothes for your child to wear – each class has a different theme depending on their dance. We will be sending PE kits home this week and would appreciate you putting the Nativity clothes in their PE bag and having them in school from Monday 30th November.

RT (stars) – black clothes – top and leggings/trousers

RL (farm animals)– brown or black clothes – top and leggings/trousers

RP (angels) – white or black – top and leggings/trousers

Thank you for your continued support

Reception Team
