

Ongoing activities

- Daily reading - at least 20 minutes
- Creative writing – One per week <https://www.pobble365.com/>
- My Maths – weekly tasks set <https://www.mymaths.co.uk/>
- [NRICH Maths at Home activities](#) – look at the number of stars to choose your challenge level.
- Try to be active – do PE with Joe or a similar online or made up workout.
- Times tables – Daily practice using <https://play.ttrockstars.com> or <https://www.topmarks.co.uk/mathsgames/hit-the-button>
- Spellings – Daily practice <https://play.edshed.com/engb/login> . See web page for list of this week's spellings list and task. **The focus is words ending in the suffix –ibly.** To be tested next Wednesday 13.1.21 in live check in.
- Keep on top of your French skills using [duolingo](https://www.duolingo.com). Create an account and set a daily goal.

Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
Live check-in 14:30					<ul style="list-style-type: none"> • Catch up on work so far – questions • How home learning will work • Spelling test – random selection of words from Autumn term • Jigsaw introduction
Maths:			Watch Divide 2 digits by 1 digit (1) complete Wed's worksheet. Use the answer sheet to mark your own. Use coins or draw own if no counters.	Watch Divide 2 digit by 1 digits (2) complete Thurs's worksheet. Use the answer sheet to mark your own. Use coins or draw own if no counters.	Watch Divide 3 digit by 1 digit complete Fri's worksheet. Use the answer sheet to mark your own. Use coins or draw own if no counters.
English			Non Chronological Report – research. Following on from Monday in school. Use the resources to choose a planet and make notes using the spider diagram template. Look at resources 01 / 02 and 03 for support and guidance.		Non Chronological Report – Writing report (additional time also assigned next week so no need to finish it). Look at resource 04 as an example.
Topic			Music - Night on a Bare Mountain. Use Music presentation for link to listen to this piece and information about follow up tasks.	Geography: How Mountains are Formed: watch the presentation and then try at least one of the practical tasks. Draw a diagram and write an explanation of what you found out.	Science – How do we know what shape the Earth is? Read through the Spherical Bodies presentation and then write a little report based on what you have read and learnt (instructions on what to write are on the powerpoint)
