PLANNING A NON CHRONOLOGICAL REPORT

Using a spider diagram

WHY DO I NEED TO PLAN MY REPORT BEFORE I WRITE IT?

- To help me plan and organise my ideas and information I have researched or collected.
- To organise the information into subject areas using sub-headings so that it is easier for the reader to follow.
- To organise what I will include in each section to help make my writing clearer.

STEP 1

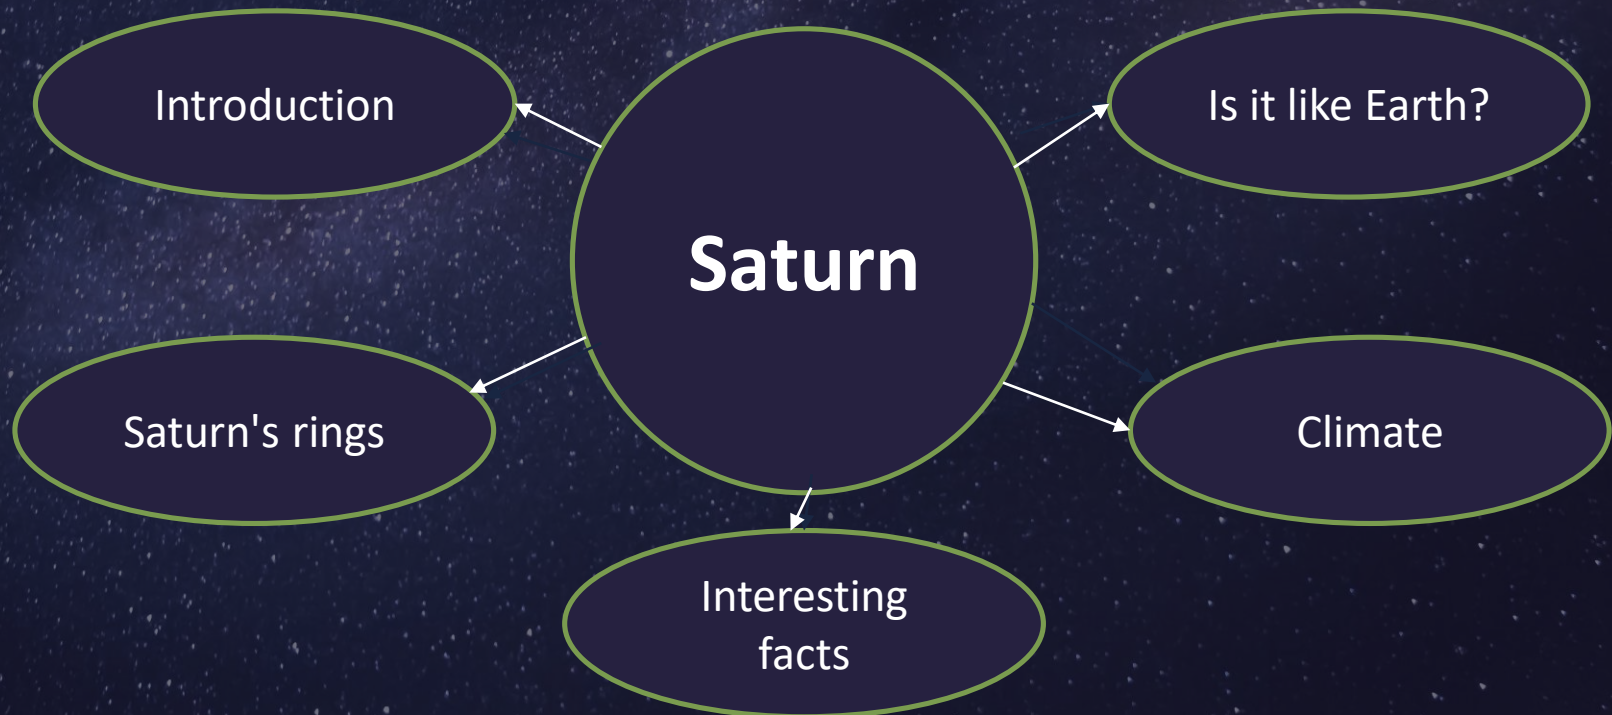

Decide what the subject of your report is going to be and write this in the centre of your plan.

STEP 2

Next, organise the information you would like to include by deciding on the main key areas you think the reader will find interesting. Add a sub-heading for each of these to your plan. Remember to include an introduction so it is clear what your report is about.

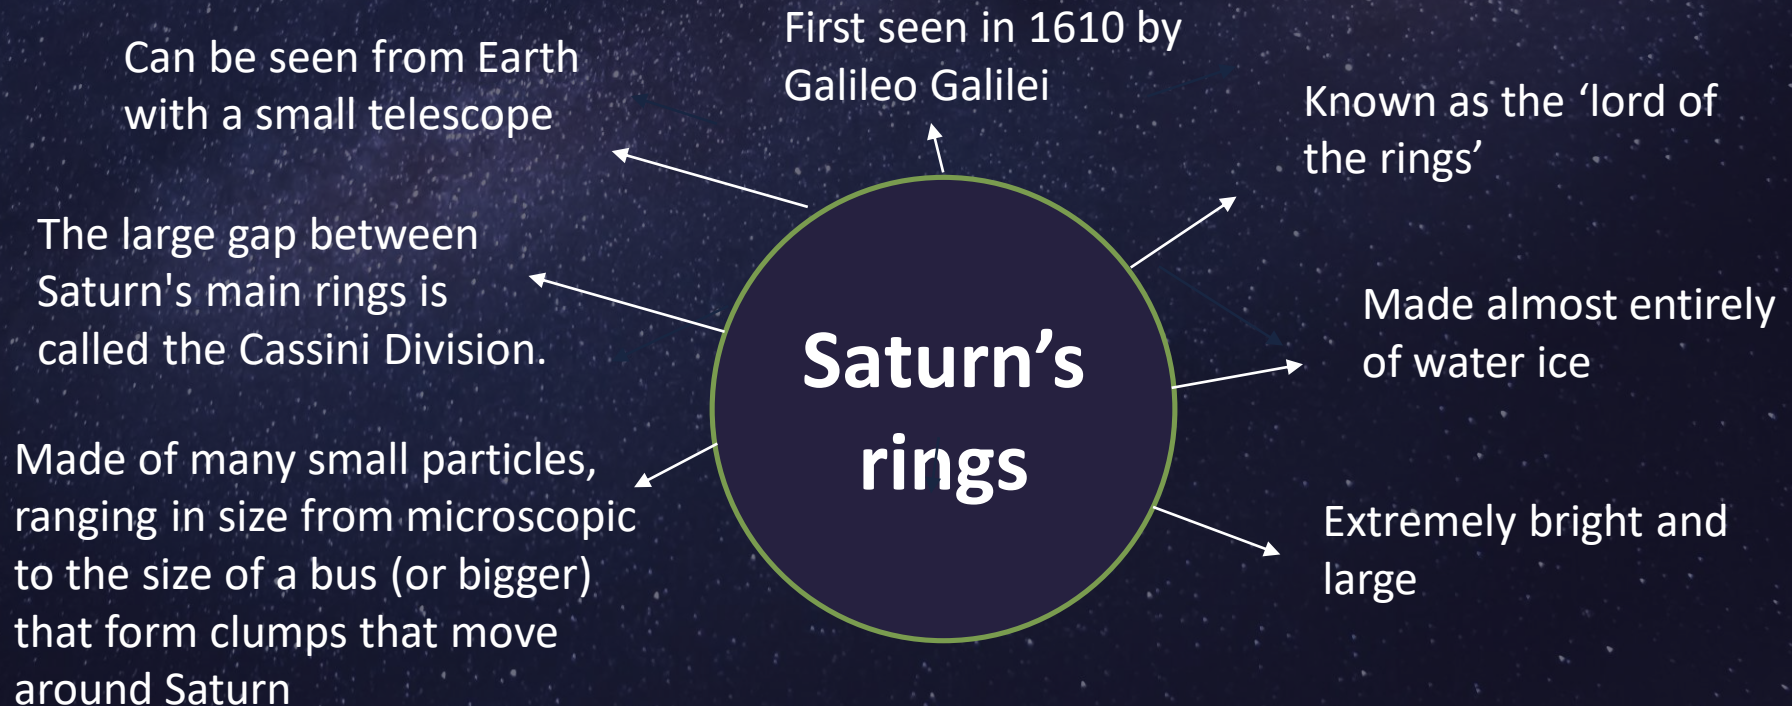

STEP 3

Now it's time to plan what you will write in each section.

Remember to include key facts about each sub-heading, you don't need to write in full sentences at this stage, more detail and description can be added when you write the actual report.
