Words Ending in '-ibly'

possibly	sensibly
horribly	forcibly
terribly	legibly
visibly	responsibly
incredibly	reversibly

TASK:

Complete each sentence by choosing a word from the list. Then write sentences of your own for the remaining 5 words. **Remember they are all adverbs so should give more information about the verb in the sentence.**

1. If you do not write _____ then other people cannot read what you have written.
2. The woman was _____ upset following the car crash.
3. He _____ completed his homework as soon as it was set.
4. The wind slammed the door _____.
5. The cat leapt _____ high to get away from the dog.
