

Lesson 1 - Instructions

For this lesson, you need to have your instructions from Thursday on how to make a paper aeroplane.

You should have followed a video and created some simple instructions.

Today we are going to see if we can improve them.

What features did you manage to include in your set of instructions?

Would anyone like to share an instruction?

What features could we use to improve these simple sentences?

Fronted adverbials

Subordinating conjunctions

Factual adjectives

Lots of detail

Numbered points

Adverbials of how

Fronted adverbials

Adverbials of how

Subordinating clauses

We are now going to go back through the video and see what extra detail we can add in to make them as clear as possible.

Get your instructions ready!
You can either edit the instructions you've written or write a new set.
