

Good morning! – It's 11th January

Leo's word of the day:

tumble

Too fall suddenly and clumsily.

Eisa tripped and **tumbled**, head first, down the muddy slope.

(Could you alter the suffix?)

How do you feel?

Which emoji best shows how you feel today? If you are comfortable doing so, write a sentence or two about why.

Landmark of the day

Ryugyong Hotel

Location – Pyongyang, N.Korea

Construction Started: 1987

? In which continent can North Korea be found?

Today's challenges

The beach went on for miles, lapped gently along the way by warm, tropical waves. In the distance, tree-covered mountains climbed high into the clouds. A single, wooden structure stood on the sand and just outside it, a fire crackled loudly in a stone-lined hole in the ground.

Draw the scene described above.

 Neatly join the word of the day 5 times.

 Do something kind for someone!
