

WALT- To read map symbols and understand their uses

WILF- To use basic OS symbols

To estimate distances using a map

Enquiry question- What are the surrounding features of a river?

Task One- To use Look through the OS map key- Try to draw the correct symbol next to these things that are in West Bridgford, near the River Trent and the surrounding areas. If you do not have a printer, could you write this list down and draw the correct symbol next to them? The first one is done for you as an example-

West Bridgford town  carpark

Nottingham Park and Ride- Riverside

Nottingham castle

Colwick country park

St Giles Church

Heymann Primary School

River Trent

Attenborough Nature Reserve

Nottingham tourist information centre

Wilford Calypit Nature Reserve

Premier Inn Nottingham

Lady Bay Bridge

Task Two- Estimating distances- (remember one miles is 5 laps of the MUGA), using this information could you estimate the distances between different areas? Try and use the maps to help with your estimates and then check the name page on the website for the actual distances and fill in the table below! Do not worry if you are not close, this is the first time we have looked at maps and estimating! The red mark shows where Heymann is, the first example is done for you, try and round to the nearest decimal point e.g. 2.2 miles or 1.6 etc.

Place	Estimate in miles	Actual distance in miles
Heymann to ASDA in West Bridgford	1.2 miles	1 mile
ASDA to Trent Bridge (River Trent)		
Trent Bridge to Attenborough Nature Reserve		
Attenborough Nature Reserve to B&Q Riverside		
B&Q Riverside to Clifton Lane		
Clifton Lane to Wollaton Park
