

Good morning! - It's 19th January

Leo's word of the day:

distinct

Recognisably different in nature from something else of a similar type.

The flavour of the ice-cream was **distinct**, but Sienna could not recall where she had tasted it before.

(Think about changing the suffix!)

Today in history:

In 1937, Howard Hughes sets a new air record by flying from Los Angeles to New York City in 7 hours, 28 minutes, 25 seconds.
