

Heymann Homeworking - Nursery- 25.1.2021

Here is your homeworking menu for this week. There is a timetable below including our zoom check in's. If you could complete the ongoing activities as often as possible that would be great. On the second page you will find the activities for this week, you can colour in a star for each activity you manage to complete.

We would love to know what you have been up to... Please send us an email of at least one thing you have done from the mat

(nursery-teachers@heyman.notts.sch.uk).

Happy star collecting! ☆

Ongoing Activities

Share books and stories:

This week we are sharing the story 'The Enormous Turnip'

Can you listen to the story a few times, so you know it really well!

You could also look for other stories that have vegetables in them. We love 'Oliver's Vegetables' by Vivian French and 'Eat your Peas' by Kes Gray.

Count everything and anything!

It could be the toys you are playing with, how many stairs there are in your house or even how many vegetables you have left on your plate!

Try to make into a game/as fun as possible e.g. 'I bet you can't count how many dinosaurs you have?'

Draw and mark make away-

Remember to 'pinch' your pencil when mark making/drawing (you could practise writing or copying the letters from your name too)

Remember your snappy 'crocodile fingers'

How to hold a pencil.

Weekly Activities- how many stars can you collect?

The Enormous Turnip

Watch the video PowerPoint of the story – can you do the actions?
Watch it a few times and try to join in as much as you can.
Can you pretend to be one of the characters? Can you act out the story?
Can you re-tell the story in the correct order?

Make vegetable soup

Can you help to prep and carefully chop some vegetables? What vegetables will you put in your soup?- you can find lots of tasty recipes online!
You could even add a turnip in there!

Get Growing

Talk about what plants need to grow.
How do we look after them? You could help to water the plants you have around the house or have a go at one of our 'Get Growing' ideas (see PDF)

Make or draw the characters from the story

On Tuesday's zoom Mrs Stables is going to show you how to draw the people from the story. You could also draw the animals and get an adult to help you cut them out.
Then have a go at acting out the story using them.

Carrots

How is food grown?

Join Auntie Mabel and Pippin the dog to find out all about carrots! (They are grown in the same way as turnips)
They are both **root vegetables** – can you find out about anymore?

Play the game 'A Year on the Farm' – see what jobs you need to do at different seasons.

Yoga time

Stretch your bodies and get that happy feeling with the Cbeebies Happy Tent Tales and 'The Great Big Turnip'

Careful Counting/1:1 correspondence

Can you gather some toys up (teddies/figures)- how many are there? It is much easier to count things if they are in a line- can you line them up? Then using your counting finger- can you tap each one once giving it a number name? (see lining up for playtime challenge as extra)

Check out this underwater counting game on topmarks too- will you be able to get the treasure?

Phonics

Our voice sound of the week is the 'n' sound- can you think of any words that have the 'n' phoneme at the start of them? You could see if you could find any in your house too!
Can you listen out for the 'n' phoneme watching this episode of alphablocks? Say the 'n' sound each time you hear the phoneme.
