

Spellings

Words beginning with the prefix mis or dis: Practise the words carefully with your preferred strategies. Remember to go on Spelling Shed and use the games to practice too.

TASK:

As well as dis and mis, next week we will study other prefixes. Can you match each root word from the list in the middle to the prefixes they can have added to them?

EXTRA: Write sentences with some of the words you create.

1. Can you join the root words to the prefixes that can complete them to make a valid word?
