

Challenge yourself: work through the Oak Academy lesson on Circles to check you have really got it!

Just click on the provided link and it will take you to lots of activities and quizzes

https://classroom.thenational.academy/lessons/coordinates-and-shapes-to-illustrate-and-name-parts-of-a-circle-69hkec?step=4&activity=exit_quiz

The screenshot shows a web browser window with several tabs open. The active tab is titled 'Coordinates and shapes: To ill...'. The address bar shows the URL: classroom.thenational.academy/lessons/coordinates-and-shapes-to-illustrate-and-name-parts-of-a-circle-69hkec?from_query=parts+of+a+circle. The page header includes a 'Maths' logo and an 'Exit Lesson' button. The main content area has the title 'Coordinates and shapes: To illustrate and name parts of a circle' and a description: 'In today's lesson, we will identify the properties of a circle, name the parts and find out about the relationships between the parts.' Below this is a green 'Start Lesson' button. At the bottom of the main content area, there are five green circles, with the first one filled, indicating the current step in the lesson. A 'Next >' button is also visible. The browser's taskbar at the bottom shows various application icons and the system clock indicating 14:26 on 18/01/2021.
