

Counting forwards and backwards within 50

1. Warm up: [Supermovers](#) counting!
2. Have a piece of paper and a pencil ready to interact with the video.
3. Watch the video [here](#)
You can pause the video as and where you need to.
4. Have a go at the worksheet – you can find it on the website.

Count forwards and backwards within 50

1 Complete the number tracks.

a)

1	2				
---	---	--	--	--	--

b)

10	9				
----	---	--	--	--	--

c)

28	29				
----	----	--	--	--	--

d)

23					
----	--	--	--	--	--

2 Complete the number tracks.

a)

17	18	19			
----	----	----	--	--	--

b)

41	42	43			
----	----	----	--	--	--

Count forwards and backwards within 50

a)

17	18	19			
----	----	----	--	--	--

b)

41	42	43			
----	----	----	--	--	--

c)

9	8	7			
---	---	---	--	--	--

d)

36	35	34			
----	----	----	--	--	--

3 a) Which number comes before 14?
b) Which number comes after 32?
c) What are the next two numbers after 29?

4 Complete the number track.

			24	23			
--	--	--	----	----	--	--	--

Teaching tips!

Children often find counting backwards needs more practice – make sure you are doing some daily counting – start at different numbers and count backwards as you go down the stairs.

If your child is still needing more consolidation on numbers to 20 – do similar activities but with smaller numbers.

Have another go at the activities from the last session.

Play this game so that the children get good at seeing the numbers to 50 represented in different ways.
