

DT: **Design** your own healthy 'animal' snack!

Talk Task:

With a grown up, find out what ingredients do you have in the cupboard you could use.

Which foods do you think are healthy?

Which foods do you think are unhealthy? Why?

What healthy foods could we use in our design?

What shapes will we need to make our animal?

Drawing Task:

Can you **draw** a plan for what your animal snack will look like?

How will your design appeal to **the 5 senses**?

Can you **label** the ingredients on your plan?

Making Task:

With a grown up, have a go at making your animal snack!

Take a photo of your finished snack. How does it compare to your plan?

Take a photo of your finished snack!
