Grapheme Spotter

Underline all the **oa** and **o_e** words that you can find. Then, sort them into the table underneath.

The Rose Stone

The Goblin King has stolen the Rose Stone! He said, "It is by my oak throne now but soon I will take it home on my boat." The King was seen sending loads of goblins to get the stone late at night. People have said that some of the goblins broke bones on their trip to steal the stone. When we spoke to them, all they did was boast!
