

Heymann Homeworking - Nursery- 1.2.2021

Here is your homeworking menu for this week. There is a timetable below including our zoom check in's. If you could complete the ongoing activities as often as possible that would be great. On the second page you will find the activities for this week, you can colour in a star for each activity you manage to complete.

We would love to know what you have been up to... Please send us an email of at least one thing you have done from the mat 😊

(nursery-teachers@heyman.notts.sch.uk).

Happy star collecting! ☆

Ongoing Activities

Share books and stories: This week we are sharing the story 'The Three Little Pigs'.

There are so many different versions of the story. Watch Mrs Stables reading Nick Sharratt's version or you could watch this Disney version, **but be warned the wolf is a little scary!**

Count everything and anything!

It could be the toys you are playing with, how many stairs there are in your house or even how many vegetables you have left on your plate!

Try to make into a game/as fun as possible e.g. 'I bet you can't count how many dinosaurs you have?'

Draw and mark make away-

Remember to 'pinch' your pencil when mark making/drawing (you could practise writing or copying the letters from your name too)

Remember your snappy 'crocodile fingers'

How to hold a pencil.

Weekly Activities- how many stars can you collect?

The Three Little Pigs

Join Mr Tumble for a different version of The Three Little Pigs story. Can you join in with the signs?

Den building

Can you build your own den? You could use cushions, chairs, blankets or even an ailer! Once you have made your den you could read stories to your teddies inside.

Building houses

Can you make a house with your toys? Duplo, Mega blocks, or Lego are great for building houses. If you haven't got any you could try empty food packaging. Test how strong your house is by trying to blow it down (Mums and dads, hairdryers make this great fun!)

Pig Crafts

Check out our PDF for lots of lovely Pig Crafts – We would love to see what you have made!

Build some muscles!

There are two moving activities this week.

["Three Little Pigs" Yoga Adventure - YouTube](#)

Join Yoga bugs for a yoga version of The Three Little Pigs story.

Watch and join in with Mrs Stables to work your arm muscles for writing. You will need a ribbon or a scarf and some space around you.

Phonics

Our voice sound this week is the 'i' sound – can you think of any words with the 'i' sound at the beginning? Can you use your robot arms to chop up the word pig? Can you hear the 'i' in the middle? Join Evie and Dodge to learn more about 'i'.

[Learn letter "i" with Evie and Dodge | Phonics | CBeebies House - Bing video](#)

Number Walk

Check out this Numberblocks episode of the Three Little Pigs. Can you read the numbers on the front doors? Next time you are on a walk have fun spotting numbers all around you. What's your door number? Can you find numbers on cars? Where else do we see numbers?

Send us some photos of the numbers you spot before Thursday and Miss Inglis can share them on zoom.

Shape hunt

This week our shape is a triangle! How many triangles can you find in your house? What foods are triangle shaped? Join Mrs Stables to draw some triangles in her zoom on Tuesday.
